It's up to you now
This place is filling up with smoke
You won't let me breathe in or out so I resolve to cut my
own throat

And I will never change
Not for anyone
Sometimes I wish I could leave myself alone
I could leave myself alone

Each day you bring me closer to going nowhere
Like sleepwalking I'm sleepsinging
Yeah
Someday you're gonna wish you'd taken better care of
me
Like sleepwalking I'm sleepsinging
Yeah

I have been such a fool for you
I put my faith in things you could never do
Now I'm chasing myself to catch up with you
And you mixed every drink of lies with the truth

And I will never change
Not for anyone
Sometimes I wish I could leave myself alone
I could leave myself alone

Each day you bring me closer to going nowhere
Like sleepwalking I'm sleepsinging
Yeah
Someday you're gonna wish you'd taken better care of
me
Like sleepwalking I'm sleepsinging
Yeah

And I will never change
No
Will you ever change
No

Each day you bring me closer to going nowhere
Like sleepwalking I'm sleepsinging
Yeah
Someday you're gonna wish you'd taken better care of
me
Like sleepwalking I'm sleepsinging
Yeah

Someday you're gonna wish you'd taken better care of
me
Like sleepwalking I'm sleepsinging
Yeah

Like sleepwalking I'm sleepsinging
Yeah
Like sleepwalking I'm sleepsinging
Yeah
