Incarcerated-Begin New life
Your Virgin Ass is thrown in a cell
Your Home is Now Behind Bars
The Land of Homos is Where You Dwell

Your former life has ended
Heterosexual life has ceased
the new community in which you live
Is Ruled By Homosexuality

there's two Muscular Queers in your cell
you can't escape their Butt fucking Hell
this is your life-it doesn't get better
You have no choice Butt to Surrender

Erect Penis Ejaculates
Your Rectum is filled With Semen
Your Penis is being Sucked
Your Mouth used as a Duct

Cum Drips Down Your Crack
like Billiards Your Balls are Racked
two cocks inside of Your Ass
You'll Do what the fuck you are asked
