Hideous Reproduction  
I Need to Serve my function  
Hormonal Explosion is Present  
Ejaculation is imminent

Ancient Sexual instinct  
clouding my head-I Can't Think!  
Rabid Cunts - BLEED! I need to fuckin BREED!

External forces take control  
guiding my Penis into A New hole  
I never felt this way before  
libido craving something More...

Homosapien Pleasures Don't Satisfy Me  
I want to Fuck an Animal Bestiality - YEAH!

A Sabbat goat, unholy Bride  
Into her cunt My Penis Slides...  
Rectal tease, I finger for fun  
together we Scream-As I cum!

In Pain my Bastered Spawn is Born  
A Human Beast with Hooves ans Horns  
A Picture of Satan's Son  
At last My Master's work is Done
