As I was a kid
When I herd on the radio
About like the second best boy band
But right now somebody from it's singing by there self
But there great in all ways to me
(Yeah, yeah, yeah)
I new when I herd him sing...
I'm gonna (gonna)
Be like him (like him, like him yeah)
I might not be as good but...
I'm gonna be like him (yeah yeah yeah oh yeah)

(Yeah yeah) like him
Like... Him

You can probably tell second best boy band N'sync
So who I'm talking about is...
Justin Timberlake so anyway...
