Voyeur...

Are you watching me?
I'm watching you.

People watching me.
People watching me.

Wait for your disguise,
Thoughts behind your smile
You're acting all so innocent
But deep inside you like this.

The distance in-between us,
Is causing you to freak.
Overly obsessed with me,
Creepin' through my dreams.

I can't figure it out,
But I'm feelin' kinda hot
Just thinking about - you.

You're a voyeur
Infiltrating my boundaries
Are you a voyeur?
Cause I can't let you.
Voyeur,
If I pull the curtains down,
Will you still be around?

Watching me, watching you, watching me, oh
Watching you, watching me, watching you
You're a voyeur
Watching me, watching you, watching me,
See I'm on to ya, on to ya

People watching me.
People watching me.

Keep playin' hide and seek
You tryna be discrete

Come and show some feelings loud
You like what you see.

Wanna take me down,
Get a couple rounds
Two can play the game you know
We can do without this.

I can't figure it out,
But I'm feelin' kinda hot
Just thinking about - you.

You're a voyeur
Infiltrating my boundaries
Are you a voyeur?
Cause I can't let you.
Voyeur,
If I pull the curtains down,
Will you still be around?

Watching me, watching you, watching me, oh
Watching you, watching me, watching you
You're a voyeur
Watching me, watching you, watching me,
See I'm on to ya, on to ya

If you look inside you'll see
Secret pleasures are here with me
Don't deny your self-esteem
(?)

See I'm on to ya, on to ya

You're a voyeur
Infiltrating my boundaries
Are you a voyeur?
Cause I can't let you.
Voyeur,
If I pull the curtains down,
Will you still be around?

Watching me, watching you,
Watching you, watching me,
Watching you, watching me, watching you
You're a voyeur
Watching me, watching you, watching me,
See I'm on to ya, on to ya

People watching me
People watching me
