Tell me baby did you get that letter I sent across the
river to you
Iâ€™ve been falling so long, such a lonely, life time seen
it through
And out side in the great wide world Iâ€™m holding on
for you
You been falling like a freight train rolling down a hill
across a river of
Blue

Lonely time, wait until the evening well that flyâ€™s
Lonely time wait until the night time it cries

So tell me baby did you get that letter I sent across the
river to you
Big red and bold like a colour of a rose, was the letter
all drenched for
You
And out side in the great wide world Iâ€™m holding on
just for you
Been falling like a freight train rolling down a hill
across a river of
Blue

Lonely sign wait until the evening well that flyâ€™s
Your lonely sigh wait until the night time well it cries
Lonely time youâ€™ll see
Lonely time youâ€™ll be

Lonely time youâ€™ll be
Lonely time youâ€™ll be
Alone

Tell me baby did you get that letter I sent across the
river to you
Iâ€™ve been falling so long, such a lonely, life time seen
it through
Out side in the great wide world Iâ€™ve been searching
the bars for you
You been falling like a freight train rolling down a hill
across a river of

Blue

Lonely time, wait until the evening that fly's
Lonely sigh wait until the night time it cries
