### "How Do You Do Sir?"

You've not been focused for quite sometime, been  
sipping on drink for a  
Memory line  
And sweating in bed in the middle of the night, I'm  
feeling so cold and I'll  
Inside  
How do you sir? I've never met ya  
And how would you feel if you knew no one?

Pour a cup of tea and sit in your chair and read your  
papers with despair  
Pet passed away with a shadowy glare you turn your  
head as you stroke it's  
Fur  
The moon lit up your dimly bright room no lights in this  
house, you're all  
Alone

How does it feel?  
How does it feel?  
And how would you feel if you knew no one?

How does it feel?  
How does it feel?  
And how would you feel if you knew no one

Old mothers house is the place you stay, it haunts your  
memory like a  
Suicide path way, human slaves and all debates are  
falling, there falling  
Away, falling away falling away
