Turn around, Every now and then I get a little bit lonely
and you're never coming round
Turn around, Every now and then I get a little bit tired
of listening to the sound of my tears
Turn around, Every now and then I get a little bit
nervous that the best of all my years have gone by
Turn around, Every now and then I get a little bit
terrified I see the fuckin look in your eyes
Turn around bright eyes, every now and then I fall
apart
Turn around bright eyes, fuckin every now and then I
fall apart

And I need you now tonight
I fuckin need you more than ever
And if you'll only hold me tight
We'll be holding on forever
And we'll only be making it right
Cause we'll never be wrong

Together we can take it to the end of the line
Your love is like a shadow on me all the time
Shit I don't know what to do I'm always in the dark
We're living in a powder keg and giving off sparks
I really need you tonight
Forever's gonna start tonight
For-fuckin-ever's gonna start to...

Once upon a time i was falling in love
Now I'm fuckin falling apart
Nothing I can say
A total eclipse of the heart

O Jesus once upon a time there was light in my life
But now there's only love in the dark
Nothing I can say
A total eclipse of the heart

Total eclipse of the... X 10 (turn around bright eyes)
A total eclipse of the heart
Total Eclipse!
