Well you can bump and grind
And it is good for your mind
Well you can twist and shout
Let it all hang out

But you won't fool the Children of the Revolution
No you won't fool the Children of the Revolution
No no no

You can tell we're playing
In the falling rain
I drive a Rolls Royce
'cause it's good for my voice

But you won't fool the Children of the Revolution
No you won't fool the Children of the Revolution

(from the album : Glittering 2000)
