When I look up from my pillow I dream you are there  
with me.  
Though you are far away I know you'll always be near to  
me.  
I go to sleep, sleep, and imagine that you're there with  
me.  
I go to sleep, sleep, and imagine that you're there with  
me.

I look around me and feel you are ever so close to me.  
Each tear that flows from my eyes brings back  
memories of you to me.  
I go to sleep, sleep, and imagine that you're there with  
me.  
I go to sleep, sleep, and imagine that you're there with  
me.

I was wrong, I will cry, I will love you to the day I die.  
You alone, you alone and no one else, you were meant  
for me.

When morning comes once more I have the loneliness  
you left me.  
Each day drags by until finally night time descends on  
me.  
I go to sleep, sleep, and imagine that you're there with  
me.  
I go to sleep, sleep, and imagine that you're there with  
me.
