Somebody,
take this love and run away
'cause I don't care
it is all i can say

I KEEP ON LOSING YOU
AND FINDING YOU

Take me upstairs and
into your arms
Do not be deceived by my charms

I KEEP ON LOSING YOU
AND FINDING YOU

That's why I fear
all the salty knowledge of tears

Just shut your mouth and kiss me
just close your eyes
punish yourself with a handkerchief
I don't reply

That's why I fear
all the salty knowledge of tears
