What can I do?
To make you feel secure
Remove all your doubts
So that you'll know for sure that you're the apple of my
eye girl
Fulfillment of my dreams
Time, will show the value
Of just what you mean to me
More precious than silver
More precious than diamond rings or anything that I
can give you
It wouldn't mean a thing
If you didn't have my love beside you there to guide
you through
well it is good to know you do

I know just how you feel
But this time love's for real
In time it will reveal
That special love that's deep inside of us will all reveal
in time

I tell you I love you, But you won't believe it's true
More precious than silver
More precious than diamond rings or anything that I
can give you
It wouldn't mean a thing
If you didn't have my love beside you there to guide
you through
well it is good to know you do , ahh

Oh, that special love in us will all reveal in time--
So let you're little heart lay down my body
