I don't know how we got here, but I'd do it all over again  
in a blink of  
an eye. I'd like to make you some coffee in the morning,  
pretend  
someday I'll be a real housewife.  
I'm not good at explaining myself, I just found myself  
as well. And  
now you know what color my heart is and whose side  
I'm really on.  
Please lend a hand, please make a stand.  
Please lend a hand, please don't be sad.  
You caught me lying by the devil in me.  
And I was a poet before I came to this place.  
I know I hurt you, I'm sorry for giving you heart a brand  
new  
scar. I would really appreciate it if you could give me a  
brand new  
start.  
This is a short road leading to the real me, you're brave  
if you decide  
to walk it. We'll listen to John sing "Oh Yoko" and  
remember the places  
we've been.
