[Verse 1]

Boy stop pretendin yo fly
Flossing yo DKNY
and you'll be wheel sittin high
chillin out the passenger side

ooo baby u'll never get between wut's mii thighs

Soo boii don't even try.....

[CHORUS]

Think yo gonna sex me
baby think again
because i'm never gonna give it to you
man u can't play me
step away from me
because i'm never gonna give it to you
u think u gonna work this kiddie
boy u must be silly....boy u better take a pause
never gonna let u have it
oh no silly rabbit you ain't never gonna get in mii draws

[Verse 2]

Baby you ain't even my type

[RAP Verse 3]

Ladies, tell 'em roll on out
becuase we ain't givin' nothin out (dat's right)
Ladies, tell 'em roll on out
becuase we ain't givin' nothin out (uhh huh)
The flyest thing in da area is dope
but you stay like ice cream w/ snobby nosed kids
fast cars and chains that's the biz
dat's the game hands down
I know I'mma wiz
A sassy thing and yeahh I talk real loud
Stay above y'all's chicks all day like the clouds
Sorry dude don't mean to crush yo ego
but ya got yo cape on actin' like a hero
keep sweatin' and askin' fo' mii numba
thinkin' I'mma be yo lil fling fo' the summer
so don't get mad causin' all dat commotion
but ya gotta do a lil more for me to slow motion

Sooo... what you want and boy i got it
but i'll never give it to you
please stop tryin' I'm not buyin
You ain't gettin' nothing.....

[CHORUS]

Think yo gonna sex me
baby think again
because i'm never gonna give it to you
man u can't play me
step away from me
because i'm never gonna give it to you
u think ur gonna work this kiddie
boy u must be silly....boy u better take a pause
never gonna let u have it

oh no silly rabbit you ain't never gonna get in mii draws

Ooh No!
