Like pharaohs or kings
We'll build before we leave
And swallow these streets

And add fuel to the flame
Negotiate the blame
And say it aloud

So, fight for life
(Don't give up anything this time)
And take what is mine
(Don't give up anything)

So, fight for life
(Don't give up anything this time)
And take what is mine
(Don't give up anything)

We are home again
Our blood and sweat is shed
To further the cause

The music's inside
We'll fight for blackened eyes
I'll make this my life

So, fight for life
(Don't give up anything this time)
And take what is mine
(Don't give up anything)

So, fight for life
(Don't give up anything this time)
And take what is mine
(Don't give up anything)

So, fight for life
(Don't give up anything this time)
And take what is mine
(Don't give up anything)

So, fight for life

(Don't give up anything this time)
And take what is mine
(Don't give up anything)

Like pharaohs or kings
We'll kill before we leave
And destroy these streets
