In the beginning it was worth this  
Do the worst, feel complete  
Passing standards others meet  
(What we do best)

Now, perfect endings make you anxious  
Heavy head, a colder sweat  
Leaving nothing here  
Nothing to regret

Why am I still suffocating?  
Constantly devastated just to stay alive  
Why am I still suffocating?  
Constantly devastated just to stay alive, ohh

I miss the old days that we murdered  
They're so far gone, out of reach  
Watch your fate with summers heat  
(Well, it goes like this)

Without a break from this distraction  
I need a change  
A different scene  
A new approach on coming clean

Why am I still suffocating?  
Constantly devastated just to stay alive  
Why am I still suffocating?  
Constantly devastated just to stay alive

Still searching for a back door out of here  
Reassured that old friends will reappear  
Why am I still suffocating?  
Hold your breath deep and I'll keep waiting

Still searching for a back door out of here  
Reassured that old friends will reappear  
Why am I still suffocating?  
Hold your breath deep and I'll keep waiting, waiting

Why am I still suffocating?  
Constantly devastated just to stay alive

Why am I still suffocating?  
Constantly devastated just to stay alive, ohh
