He was pouring his busted up heart out,
With a half empty glass attitude.
He said this is how all dreamers start out
You know I used to be just like you,
He said
Man I know you think you're gonna make it out there
but I bet in a year you'll be back
These thing never work and I'm sure to get hurt.
And I thought what kind of thinking is that!

I'm goin' all out!
I'm gonna live this dream!
Doin' it now!
Not gonna miss a thing!
Gotta fire up all this passion!
Throwin' my whole heart in!
I'm goin' all out!

She was a movie star waiting to happen,
That waitress was out of my league.
But my friends at the table start laughin'
When she wrote down her number for me.

Now we're seven months in
We're closer than we've ever been
Forever's right here in my hands
I've got two round trip tickets to Vegas,
I'm gonna take this as far as I can!

I'm goin' all out!
I'm gonna live this dream!
Doin' it now!
Givin' my everything!
Gotta fire up all this passion!
Throwin' my whole heart in!
I'm goin' all out!

I'm not just here for the light
In the back seat of my life passin' me by
I'm takin' the wheel!
I'm gonna Drive!

I'm goin' all out!

Gotta fire up all this passion!
Throwin' my whole heart in!
I'm goin' all out!

I'm gonna live this dream!
Doin' it now!

Not gonna miss a thing!
Gotta fire up this passion!
Goin' my whole heart in!
Yeah!
I'm goin' all out!

Ohh yeah!
I'm goin' all out~
