I'm pretty sure you've probably heard every typical
line that a guy could say,

So here goes nothing, I was just wondering what you're
doing Saturday

Why don't we catch a little movie,

Take a little walk,

Find a little park bench,

Have a little talk

Share a little bit about where this is gonna go

Why don't we plan a big party,

Send invitations,

Rent a big hall with a ton of decorations,

Pick out a cake and a dress and a diamond ring

Then we'll build us a house with a white picket fence,

Trade in the truck for a van full of kids,

Live and laugh and love faithfully,

Why don't we?

Did you catch all that? Did I go too fast?

I really hope I didn't forget something,

Take a year or too to think it all through while it's
sinking in

Why don't we catch a little movie,

Take a little walk,
Find a little park bench,
Have a little talk
Share a little bit about where this is gonna go

Why don't we?

Why don't we?
