We've been together for a very long time, but feels like  
we met the other day,  
I feel your love for me in everything you do and say.  
Everything we do feels like the first time even when  
itâ€™s not,  
A world of love between us is what we've got.

Lost in your eyes is my very favorite place,  
Nothing is better than seeing the smile on your face.  
When we are together the time seems to stand still,  
Iâ€™ll love you forever, you know I always will.

We have shared many good times and had our share  
of sorrow, but when I wake up in the morning I know  
that you will beâ€¦

By my side, thatâ€™s where I want you to be.  
By my side, with a love everyone can see.  
By my side, growing stronger day by day.  
By my side, thatâ€™s where youâ€™ll always stay.

By my side, thatâ€™s where I want you to be.  
By my side, with a love everyone can see.  
By my side, growing stronger day by day.  
By my side, thatâ€™s where youâ€™ll always stay.

Lost in your eyes is my very favorite place,  
Nothing is better than seeing the smile on your face.  
When we are together the time seems to stand still,  
Iâ€™ll love you forever, you know I always will.

We have shared many good times and had our share  
of sorrow, but when I wake up in the morning I know  
that you will beâ€¦

By my side, thatâ€™s where I want you to be.  
By my side, with a love everyone can see.  
By my side, growing stronger day by day.  
By my side, thatâ€™s where youâ€™ll always stay.

By my side, thatâ€™s where I want you to be.

By my side, with a love everyone can see.  
By my side, growing stronger day by day.  
By my side, that's where you'll always stay.
