You and me got it right from the start.  
People all around us, their lives falling apart,  
Their giving up too easy on one another,  
Walking away without a fight,  
Never taking the time to try and make it right.

What's going on? How can they all get it wrong?  
Sometimes you just have to fight for what you believe.  
Let's keep our love alive. Just!

Don't let go, don't walk away.  
Say to me you'll always stay.  
Don't let go, don't give up on our love,  
Don't let go, just don't let go.

Things aren't always perfect, but at least we always try.  
A love so strong; won't let it die.  
Giving my everything for your love, it's worth it all.  
Growing stronger and stronger, our love will never fall.

Somethings are worth fighting for and even dying for,  
Anything to keep our love alive. Just!

Don't let go, don't walk away,  
Say to me you'll always stay.  
Don't let go, don't give up on our love,  
Don't let go, just don't let go.

Friends will come and friends will go,  
My love for you, you'll always know.  
No matter what, we'll find a way,  
Together until our dying day.

Somethings are worth fighting for and even dying for,  
Anything to keep our love alive. Just!

Don't let go, don't walk away,  
Say to me you'll always stay.  
Don't let go, don't give up on our love,  
Don't let go, just don't let go.

Donâ€™t let go, donâ€™t walk away,  
Say to me youâ€™ll always stay.  
Donâ€™t let go, donâ€™t give up on our love,  
Donâ€™t let go, just donâ€™t let go.
