D: Hey, I'm the one he left you for

Can I come in? 'cause the wolf is at my door

He said that it was you

Now that just don't ring true

Like it did when I thought he was mine

Please let me inside, oh...

CHORUS:

D: I just want to cry tonight

And I know you'll understand

How much I hurt inside

'cause I know that you know the man

I know he had his way with us

Aren't you afraid he stole your pride?

Out of sight isn't out of mind

So don't you want to cry tonight?

A: Hey did he say you hung the moon?

And you made it shine in a sky he never knew

Well I've got news for you

I hung the moon too

D: Ain't it funny how that moon turns blue

When there's someone new

A: Can't believe there's someone new

CHORUS:

A: I just want to cry tonight

D: Don't you wanna cry?

A: And I know you'll understand

All the hurt that I feel inside

'cause I know that you know the man

D: Yes I know that man

A: Though he had his way with us

D: Ooh yeah

A: So afraid that he stole my pride

D: Same with me

A: Out of touch isn't out of mind

D: Ooh

A: Don't you want to cry tonight?

Who would have thought

We'd be each other's shoulder to cry on

Life sure holds the strangest surprises

And they're not always sweet, no

CHORUS:

D: I just want to cry tonight

A: I just want to cry

D: And I know you'll understand

A: How much I hurt inside

D: Oh I hurt inside

A: 'cause I know that you know the man

D: I know that man

I know he had his way with us

I'm so afraid that he stole my pride

Out of sight isn't out of mind

A: More than memories are left behind

D: Hey, don't you wanna cry tonight?

D: cry tonight
