D: Hey, I'm the one he left you for  
Can I come in? 'cause the wolf is at my door  
He said that it was you  
Now that just don't ring true  
Like it did when I thought he was mine  
Please let me inside, oh...

CHORUS:

D: I just want to cry tonight  
And I know you'll understand  
How much I hurt inside  
'cause I know that you know the man  
I know he had his way with us  
Aren't you afraid he stole your pride?  
Out of sight isn't out of mind  
So don't you want to cry tonight?

A: Hey did he say you hung the moon?  
And you made it shine in a sky he never knew  
Well I've got news for you  
I hung the moon too  
D: Ain't it funny how that moon turns blue  
When there's someone new  
A: Can't believe there's someone new

CHORUS:

A: I just want to cry tonight  
D: Don't you wanna cry?  
A: And I know you'll understand  
All the hurt that I feel inside  
'cause I know that you know the man  
D: Yes I know that man  
A: Though he had his way with us  
D: Ooh yeah  
A: So afraid that he stole my pride  
D: Same with me  
A: Out of touch isn't out of mind  
D: Ooh  
A: Don't you want to cry tonight?

Who would have thought

We'd be each other's shoulder to cry on  
Life sure holds the strangest surprises  
And they're not always sweet, no

CHORUS:

D: I just want to cry tonight  
A: I just want to cry  
D: And I know you'll understand  
A: How much I hurt inside  
D: Oh I hurt inside  
A: 'cause I know that you know the man  
D: I know that man

I know he had his way with us  
I'm so afraid that he stole my pride  
Out of sight isn't out of mind  
A: More than memories are left behind  
D: Hey, don't you wanna cry tonight?

D: cry tonight
