Go ahead and congratulate yourself
Give yourself a hand,
A hand is yours
In the harden hours, and so
And here it heals itself, it's too much
And you're getting too close
You're getting too close
You're getting to close to your soul
You've done the impossible now
Took yourself apart
Made yourself invulnerable
No one can break your heart
So you break it yourself
Bringing your own, break it yourself
Bringing your own, break it yourself
Bringing your own, but break it yourself
Bringing your own, but break it yourself
Bringing your own,
Go ahead and re-eyeoneye yourself
Give yourself a hand,
A hand is yours
And you go ahead and bring it all
Go ahead and stretch it all
Go ahead and read inside
Dare to protest it makes this
Boy and girl, two eyes
Too rigid, all the sadness
A hundred stories high
And you re-eyeoneyeze
And it's eyeoneyeze-eyeoneyeze-eyeoneyeze
All this time it took to realize
That you could use some help
Bringing your heart, breaking the shell
Bringing your heart, breaking the shell
Bringing your heart, but break it yourself
Bringing your heart, but break it yourself
Give yourself a hand, a hand is yours
Go ahead and wear it out
And you go ahead and stretch it out
And you go ahead and wear it inside out
And it's eyeoneye-oneye-oneye
And it's eyeoneye-oneye-oneye
