I said no, don't worry
no, please don't worry
no, don't worry
see what the Lord has done

just keep your lamp all trimmed and burning
keep your lamp trimmed and burning
keep your lamp all trimmed and burning
see what the Lord has done

I said no, don't worry
no no don't worry
no, don't worry
she what the Lord has done

just keep your lamp ...ed and and burning
keep your lamp all trimmed and burning
keep your lamp ...ed and burning
oh, see what the Lord has
