[Planet Asia]

The motherfucking +Grand Opening+, yknahmsayin?

This is Planet Asia, yknahmsayin?

I ain't playin this time

This is for my motherfuckin street peoples

All y'all spaced out motherfuckers, smokin.. bongs and shit

I don't know what the fuck y'all niggaz is doin, whatever

Yo, we off the block

This is block hip-hop, yknahmsayin?

Not that funny shit, yknahmsayin?

This is for my grimy niggaz

My twenty-five to life chance on a hustle

never hard to find me niggaz

Somebody need to sign me niggaz

But stop right there

Cause I'ma let you know you right behind me nigga

I don't chop game, I chop niggaz bitches who got fame

And chop off fingers for stealing

I bleed in your building, cause none of us believe that you killin

Not me, not your family, not even your children

And I swear to God, you better off gettin a job and settlin down

Yo, check it, yo, really doe

This is the motherfucking +Grand Opening+

Yo, peep this next shit though

Aiyyo, Fresno stand up!

I'm out this bitch man, fuck it
