I know you're half awake, yeah, I know hate
And I know how you do it
Hold it, don't let it out
Don't get it right or wrong, no, I don't get it

I know you're half afraid
Half amazed, all insane
I know it's all a cage and all arrange
And altogether gone

'Cause you and me we're average
With simple minds and lungs and eyes and skin
You and me we're hopeless with nowhere hearts
So tear it out and open it

I'm giving blood tonight
Don't care how, don't care why
I'm giving blood tonight and I feel just like
I could give it all

I know you're sick and alone
Mothers and suckers alike
We can bleed together, we can bleed together
We can bleed, we can bleed
We can bleed together, oh yeah

Show me and hand me down
And hang me up alone and cold and bury me
Show me and throw me out
And hold me down, air me out and wear me

I know you're half afraid
Half amazed, all insane
I know it's all a cage and all the rage
And all together gone

I know you're sick and alone
Mothers and suckers alike
We can bleed together, we can bleed together
We can bleed, we can bleed
We can bleed together

Too altogether cold
Too altogether numb

I know you're sick and alone
I know you're sick and alone

I know you're sick and alone
Mothers and suckers alike
We can bleed together, we can bleed together
We can bleed together, we can bleed together

I know you're sick and alone
Mothers and suckers alike
We can bleed together, we can bleed together
We can bleed together, we can bleed together
Oh yeah
