Mountains all around
All together we stumbled
Eleven million clowns
Everyone with a razor out

And the smoke lies
On the valley floor
And the blood dries
While we spill some more

Once we were the end
The end of a long road
Leading to the start
Of the ever invading crowds

And the smoke lies
On the valley floor
And the blood dries

Endless summer, needless space
Fill it all up
With a void

Hey
Heeeeey
Hey
Heeeeey

Mountains all around
All together we tumbled down

And the smoke lies
On the valley floor
And the blood dries
While we spillÂ...
