Lyrics by chris cornell
Music by kim thayil

Get on the snake
With a swarm of motor flies
Get on the snake
Under the cola colored sky

Don't worry, everything's clean
Road worthy, hungry and mean

Get on the snake
Where the metal river bleeds
Get on the snake
Where you never will believe

Hey baby, what's your disease
My hearts bleeding
I'm dying to leave

Get on the snake
Where the water turns to steam
Get on the snake
With a suicide machine

Don't worry, everything's clean
Road worthy, hungry and mean
Hungry and mean...
Hungry and mean...
