Visit "[New Damage](#)" on MotoLyrics.com

A new damage comes
It's a faceless poison
A new world order
It's new damage done

The wreck is going down
Get out before you drown
The wreck is going down
Get out before you drown

Get out, yeah

A new damage comes
It's a new word for plague
A new world order
A new word for hate

The wreck is going down
Get out before you drown
The wreck is going down
Get out before you drown

Get out, yeah, before you drown
Get out, get out, oh yeah

New damage comes
It's a new word for plague
A new world order
A new word for hate

The wreck is going down
Get out before you drown
The wreck is going down
Get out before you drown

Get out, get out, get out
Before you drown, before you drown
Get out, get out, get out, get out
Get out, get out, get out

Before you drown, get out
Get out before you drown

Before you drown
Before, before you drown
