Every word I said is what I mean  
Every word I said is what I mean  
Everything I gave is what I need  
Virgin eyes and dirty looks  
On what I have and why I took  
Counting all the hands I shook

Now I know why you've been shaking  
Now I know why you've been shaking  
Now I know why you've been shaking  
Now I know why you've been shaking

So bleed your heart out  
There's no more rides for free  
Bleed your heart out  
I said what's in it for me, what's in it for me

Everything I've held is what I've freed  
Everything I've held is what I've freed  
Everything I've shown is what I feel  
Buying lies and stealing jokes  
And laughing every time I choke  
Biding all the time you took

Now I know why you've been taken  
Now I know why you've been taken  
Now I know why you've been taken  
Now I know why you've been taken

So bleed your heart out  
There's no more rides for free  
Bleed your heart out  
I said what's in it for me, what's in it for me  
What's in it for me, what's in it for me

Every word I said is what I mean  
Everything I gave is what I need  
Everything I've held is what I've freed  
Everything I've shown is what I feel

Virgin eyes and dirty looks  
On what I have and why I took

Counting all the hands I shook  
Now I know why you've been shaking

Buying lies and stealing jokes  
And laughing every time I choke  
Biding all the time you took  
Now I know why you've been taken

Now I know why you've been taken  
Now I know why you've been taken  
Now I know why you've been taken  
Now I know why you've been shaking  
Now I know why you've been taken

Now, now, now, now
