I'm sittin' in a magic hat with smoke and mirrors
And tire rubber fires watch me disappear, yeah

What made it slow you down sucking on a ball and
chain
Another motherfucker goes down the drain, yeah

Hard headed fuck you all
Hard headed fuck you all
Hard headed fuck you all
Just add it up to the hot rod death toll

Hard headed fuck you all
Hard headed fuck you all
Hard headed fuck you all
Just add it up to the hot rod death toll

Sick in the head sick in the mouth
Can't hear a word you say not a bit and I don't give a
shit, yeah

Got a big glass, I got the steel, I got everything
All I need is your head on a stake, yeah

Hard headed fuck you all
Hard headed fuck you all
Hard headed fuck you all
Just add it up to the hot rod death toll

Hard headed fuck you all
Hard headed fuck you all
Hard headed fuck you all
Just add it up to the hot rod death toll

Hard headed fuck you all
Hard headed
Hard headed fuck you all
Hard headed

Hard headed fuck you all
Hard headed fuck you all
Hard headed fuck you all

Hard headed fuck you all
Hard headed fuck you all
Hard headed fuck you all
Just add it up to the hot rod death toll
To the hot rod death toll
To the hot rod death toll
To the hot rod death toll
To the hot rod death toll
