California... knows how to party  
California... knows how to party  
In the city of L.A.  
In the city of good ol' Watts  
In the city, city of Compton  
Keep it rockin'! Keep it rockin'!

Now let me welcome everybody to the wild, wild west  
A state that's untouchable like Elliot Ness  
We in the sunshine state with the thompin' hot beat  
You'll never find a dance floor empty  
Throw up your hand if you feel the same way  
Then puttin' it down for Californ-i-a

California... knows how to party  
California... knows how to party  
In the city of L.A.  
In the city, city of Frisco  
In the city, city of Hollywood  
Keep it rockin'! Keep it rockin'!

Shake it, shake it baby  
Shake it, shake it mamas  
Shake it, shake it baby  
Shake it, shake it mamas

California... knows how to party  
California... knows how to party  
In the city of L.A.  
In the city, city of Oakland  
In the city, city of Sac-Town  
Keep it rockin'! Keep it rockin'!
