you think i would be albe to leave you?
you think i will forget the nights
my heart no matter what is your lover
and you know well my suitaion
and if one day you can leave me you still ganna be precious to me
remmber everything between us
before you destroy everything between us
remmber a nice word
before you lose your lover
questions answer it
make you Wronged why baby
baby if your me baby why forget what we were in
take my eyes look at me with it
look how much i love you
