Chorus:

I'm Young I'm Single I LOVE to Mingle
See I'm Young I'm Single I LOVE to Mingle
Yep I'm Young I'm Single I LOVE to Mingle
Especially with my money in my hands
my hands

One Two One Time

I'm walking down the block they get their whistle on
(Whistle)

Stank Look then I be gone

One Two One Time One Two One Time

Now that don't mean you're gonna get ova on me easy

That don't mean I'm gonna buy your lil line sleezy

That don't mean that I'll fall for ya ABC's

That don't mean that I ain't got my 1 2 3's on

Chorus:

I'm Young I'm Single I LOVE to Mingle
See I'm Young I'm Single I LOVE to Mingle
Yep I'm Young I'm Single I LOVE to Mingle
Especially with this drink in my hands

Now hold up don't put my drink down and walk away
from it

Cuz if I come back I don't know what I'ma git

Don't put my drink down and walk away from it

Cuz when I come back I don't know what be in it

Chorus:

I'm Young I'm Single I love to Mingle
Cuz I'm Young I'm Single I love to Mingle
In the city I'm Single I love to Mingle
Especially when I'm out with my friends

Haters can be hateful but not at my table

I just love to have fun Yo what's your problem?

Cranky understand it. You just need to get some

Dancefloor demolition do it when the beat come
