Fragile, handle with care
You fall in love then you lose your head
For the last 24 hours
Well, I've been crying my heart out

This time hoping for the better
Been down seems like forever
For the next 24 hours
Well, I'm yours ohh

You said it was love for the first time
Oh baby, baby be mine
'Cuz I'm in love, in love
In love in love with you

It's all good, you don't have to worry
I'm not like that, I'm not in a hurry
Take your time, I'm not going nowhere
If you go, I will always follow

You said, it was love for the first time
Oh baby, baby, be mine
'Cuz I'm in love, in love
In love, in love with you
With you, with you, with you, with you, ohh

Would I lie to you?
I've never had a reason to
Something I would never do, never do, never do
Hey

You said, it was love for the first time
Oh baby baby be mine
'Cuz I'm in love, in love
In love, in love with you

You said, it was love for the first time
Oh baby, baby, be mine
'Cuz I'm in love, in love
In love, in love with you
With you, with you, with you, with you
