Talking smooth and play
By the rules, like a lady
Well hang on loose and always
Stay cool, like a lady

Listen to the songs and learn
To sing along on the radio, radio
Got fire in my eyes and boys on my mind
They come and go, they come and go.038

Kiss every man while
You still can, like a lady
And pull your self up and dance
'Til you drop, I'm your baby, baby

Listen to the songs and learn
To sing along, on the radio, radio.100
Got fire in my eyes and boys by my side
They're mine you know

Tonight, my baby
We got a love so strong, let the beat go on
It's alright, my baby
If it feels so good then it can't be wrong

Kiss every man while
You still can, like a lady
And pull your self up and dance
'Til you drop, I'm your baby, baby

Listen to the songs and learn
To sing along on the radio, radio
Got fire in my eyes and boys by my side
They're mine you know

And tonight, my baby
We got a love so strong, let the beat go on
It's alright, my baby
If it feels so good then it can't be wrong

And tonight, my baby
We got a love so strong, let the beat go on

It's alright, my baby
If it feels so good then it can't be wrong

Listen to the songs and learn
To sing along on the radio, radio
Fire in my eyes and boys on my mind
They come and go, they come and go

And tonight, my baby
We got a love so strong, let the beat go on
It's alright, my baby
If it feels so good then it can't be wrong

And tonight, my baby
We got a love so strong, let the beat go on
It's alright, my baby
If it feels so good then it can't be wrong
