Teenage porn stars
Living for nothing now
Nightlife baby
Ooh-aah-oooh

Look out, shape up
Boy you got to turn around
And wake up honey
Ooh-aah-oooh

We're not living in America
But we're not sorry
I knew there was something that we never had
We don't worry

No, we're not living in America
But we're not sorry
No, we don't care about the world today
We're not sorry for you

Pretty as picture
Dancing the night away
Don't stop baby
Ooh-aah-oooh

I learned my way
I'm living for something now
It's hardcore honey
Ooh-aah-oooh

We're not living in America
But we're not sorry
I knew there was something that we never had
We don't worry

No, we're not living in America
But we're not sorry
No, we don't care about the world today
We're not sorry for you

We're not living in America
We're not living in America

We're not living in America
We're not living in America

We're not living in America
We're not living in America
We're not living in America
We're not living in America
We're not living

We're not living in America
But we're not sorry
I know there was something that we never had
We don't worry

No, we're not living in America
But we're not sorry
No, we don't care about the world today
We're not sorry for you

My baby
Sweet baby
Ooh, baby, baby, baby, baby, aah
