Khare da nasha, takna tera, kuch karan na dinda, ajj dil ae mera
Khare da nasha, takna tera, kuch karan na dinda, ajj dil ae mera

Oh baby bol bol, bol bol kujh bol dekho dekh dil dil di kundi khol de
Mera rakh lai tu maan, mere pyaar da jahaan
Shady marr hi na jaave tenu kehnda jaan jaan

Tenu sohniye bulande jaan jaan, gabru de bul suk gaye
 Lover boy Jelly, hit it

Tenu sohniye bulande jaan jaan, gabru de bul suk gaye
Rehnda har vele tere ch dhyaan, tere nayion kamm mukde

 Kar takda jeya dil, kite kalli ohnu mil

 Labh sunni jehi sohniye ni thaan

 Bai jaave na bhaida russ ke

Tenu sohniye bulande jaan jaan, gabru de bul suk gaye

Tenu sohniye bulande jaan jaan, gabru de bul suk gaye

 Haye gabru de bul suk gaye

Saare hi college vich vekh ke haseen kudi, tere utte firda ae duleya
Vasde gharan da kaka ladla jeya goriye ni, khaana peena sona sab bhuleya

Saare hi college vich vekh ke haseen kudi, tere utte firda ae duleya
Vasde gharan da kaka ladla jeya goriye ni, khaana peena sona sab bhuleya

 Phire bullet ghumaunda, gali gede tere launda

 Phire bullet ghumaunda, gali gede tere launda

 Hun dhup dekhda ae na hi shaam

 Haal chaal janda puch ke

Tenu sohniye bulande jaan jaan, gabru de bul suk gaye

Tenu sohniye bulande jaan jaan, gabru de bul suk gaye

 Gabru de bul suk gaye

Oh baby get in the car, I'll make you feel like a star

 Meri gaddi jaaye zoom zoom

O meri gaddi jaaye zoom zoom, dekh bajje boom boom

 Haan chal mere naal, chal layiye billo gediyan

 Shopping wali Vidya nu lya dunga main neriyaa

Je tu ik vaari just, once haan kar de

Suit pateyala shaahi, kadvi jehi jutti kade top naal pa lave jean ni
College ch mundeyan na la layi ae sharrt, chano tere naal beh ke coffee peen di

Suit pateyala shaahi, kadvi jehi jutti kade top naal pa lave jean ni
College ch mundeyan na la layi ae sharrt, chano tere naal beh ke coffee peen di

Je tu kudi ae kunwari, main vi sire da shikari

Je tu kudi ae kunwari, main vi sire da shikari

Phad ke chadunga na kade baanh

Bange savaal muchh de

Tenu sohniye bulande jaan jaan, gabru de bul suk gaye

Tenu sohniye bulande jaan jaan, gabru de bul suk gaye

Gabru de bul suk gaye

Moddan te Nishan teri karuga udeek, hun kinna chir khada vaang rukh ni

Langh da na din changa, aakhda malkpuri, jidan na dekhe tera mukh ni

Moddan te Nishan teri karuga udeek, hun kinna chir khada vaang rukh ni

Langh da na din changa, aakhda malkpuri, jidan na dekhe tera mukh ni

Ghallan goriyan gulaabi akkhan neeliyan sharaabi

Ghallan goriyan gulaabi akkhan neeliyan sharaabi

Til thodi wala bada bayimaan

Lai geya ae lutt putt ke

Tenu sohniye bulande jaan jaan, gabru de bul suk gaye

Tenu sohniye bulande jaan jaan, gabru de bul suk gaye

Gabru de bul suk gaye

Gabru de bul suk gaye
