friend, i've lost another friend  
pretend, that things will never end  
time, time go real slow  
the only thing we know is that we'll die someday

cry, oh cry  
cry yourself to sleep night after night  
my, oh my  
dance away the pain that you feel inside  
cry, oh cry  
cry yourself to sleep night after night  
my, oh my  
baby, maybe  
(tonight)...  
love, love, what about love?

teens, lost little teens  
waiting for something to appear  
but they'll turn into machines  
riot, let's bring up a fight  
fight on through the night  
cause i wanna taste some blood
