Heartless Wreck

Let me tell you 'bout
a thing that happened, right
I wasn't myself last night
I called up my first love
It must have been ten years since we last spoke,
I said: Hi, How are you? What have you been up to
since you cut my heart out?
Is it there somewhere?
Does it fit in there?
in your nice apartment

I just want my heart back,
you can send it in a box
I can pay for postage,
but hurry up

I have been a heartless wreck
it's about time you give it back,
'cause i have been a heartless wreck
You have used my heart to decorate your white walls,
does your boyfriend consider it as art?
My blood's been dripping to your floor for the past ten
years,
every drop has been hurting
- How the hell did you survive? - I cut you with my
biggest knife,
My intention was to kill you
- Don't you worry girl, I got a temporary heart and a
pacemaker pumping it,
I want my real heart back,
you can send it in a box
I can pay for postage,
but hurry up
I have been a heartless wreck,
it's about time you give it back
'cause i have been a heartless wreck,
I have been a heartless wreck
for so long i've been on the wrong track,
'cause i have been a heartless wreck
