DANCE WITH ME

Deborah Morgan

Oh come and dance with me, my baby

Let's dance, do it, go crazy

The night is young and so are we

Let's make love and dance the night away

What I really wanna do

Is just dance with you

And feel your body tight

Show ya how to do it right

I can show you every move

I know just what to do

Each step we do is refine

One dance and you'll be mine

So baby when we hit the floor

You'll be asking for more

Let's make love and dance the night away

Oh come and dance with me, my baby

Let's dance, till we, go crazy

The night is young and so are we

Let's make love and dance the night away

Oh put your hand in mine  
Promise I'll take my time  
We'll dance from head to toe  
I can dance fast or slow  
Baby look into my eyes  
Let the music hypnotize  
Let our bodies synchronize  
One dance and you'll be mine  
So baby when we hit the floor  
You'll be asking for more  
Let's make love and dance the night away  
Oh come and dance with me, my baby  
Let's dance, till we, go crazy  
The night is young and so are we  
Let's make love and dance the night away  
Oh when it comes to dancing  
I know how to move  
When it comes to passion  
I know just what to do  
I feel the music inside  
I feel like I am alive  
Pretend I was right  
Let's make love  
Oh come and dance with me, my baby  
Let's dance, till we, go crazy

The night is young and so are we

Let's make love and dance the night away

Oh come and dance

Let's dance

The night

Let's make love and dance the night away

Oh come and dance with me, my baby

Let's dance, till we, go crazy

The night is young and so are we

Let's make love and dance the night away

Repeat chorus to fade
