Ooh Ooh * = Repeat
*Ain't you tired, working too hard
Way too tired can't do a thing,
School ain't giving any rest,,
Ooh
You just have to start with
1st grade, 2nd grade, 3rd grade
It's too easy peasy lemon squeezy
Fun
4th grade, 5th grade,
Need a lot to think,
6th grade, 7th grade, 8th grade,
You're done with middle school
9th grade and 10th grade
Way too exhausted can't do a thing
You can't go any further, your brain's about
To burst!
You're almost there...
3 more Levels, brain gettin' dizzy!
3 more Levels, bring it on, baby! *
Ooh...
Never Stop!
