The season's coming, the fashion never leaves me
'Cause I can dance boy, right until the morning
Look out the window, rising up my hands boy
I see the springtime filling my heart

Now it's time to open your mind
Keeping the way to stay with me
We must try to regain all the love we've got
An everlasting love with you babe

Chorus:

I just wanna be your lucky tango
'Cause I wanna show you all my love
Come to dance the rhythm of my tango
Don't know why I fell in love with you
Come on, I just wanna be your lucky tango
'Cause I wanna show you all my love
Come to dance the rhythm of my tango
Don't know why I fell in love with you

Do you remember my only tango tango
I wanna give you neverending nothing
I got the reason to get you like a fever
Tell me I'm ready, open your heart

Now it's time to open your mind
Keeping the way to stay with me
We must try to regain all the love we've got
An everlasting love with you babe

Repeat Chorus

The season's coming, the fashion never leaves me
'Cause I can dance boy, right until the morning
Look out the window, rising up my hands boy
I see the springtime filling my heart

Now it's time to open your mind
Keeping the way to stay with me
We must try to regain all the love we've got
An everlasting love with you babe

I just wanna be your lucky tango...
Come to dance the rhythm of my tango...
Come on, I just wanna be your lucky tango...
Come to dance the rhythm of my tango
Don't know why I fell in love with you...

Come to dance the rhythm of my tango...
