"Sing"

Visit "[Sing](#)" on MotoLyrics.com

I want you to know
it's not your fault
what I've become
is all I own

I live inside
my own machine
but these clocks that keep me
will always

sing
sing to me
when you can breathe
when you can't sleep
when you're feeling alone
and the words aren't right
just sing, sing to me

I know that no one else
can save me from myself
but these words, like painted glass
have frozen me between

so just sing
sing to me
when you can breathe
when you can't sleep
when you're feeling alone
and the words aren't right
just sing, sing to me
