Here's a little bit of old skool for ya
That goes a little somethin' like this

I always tried to be the flyest kid in the block
The popular one with the risin' stock
So that's when I had this bright idea
(Throw the party of the month?)
Nah, the party of the year

All the fine girls couldn't turn it down
Now all I gotta do is get my parents out
Should I send them to a movie
(Nah, send them to a show)
Let me think, hmm
It's gotta be long though

I said "Mom, Dad, yo why ya sittin' at home
It's a Friday night have you seen Aunt Jo
And don't worry about stayin' out too long
Don't fuss over me, I'll be fine alone"

Have a good time...

The door bell rings 'cause the party's here
I'm crankin' up the stereo like it's New Years
Walkin' 'round the house like, Who's Da Man
(Everybody do it like Aaron can)

First on the floor, you know that's me
Bustin' out the moves like it's MTV
I'm guessin' where I'm goin' 'cause I lost my head
Then I jumped on table, this is what I said

People all around you gotta (come get it)
Everyone together sing it loud (come get it)
Jump all around come on (come get it)
What... (come get it)
Say it again (come get it)
People all around you gotta (come get it)
From the left to the right, make noise (come and get it)
Here we go now, come on (come get it)

Uh uh what what (come get it, come get it)

Na na na na...

Na na na na... (c'mon, here we go, haha)

Na na na na... (come with it, whoo)

Yeah yeah yeah yeah... (here we go, uh uh) [come get it]

Na na na na... (wave yo hands from side to side)

Na na na na... (here we go one time for the road, yo)

Na na na na...

Yeah yeah yeah yeah... (c'mon) [come get it, come get it]

Na na na na... (uh, uh, haha)

Na na na na... (come with it, uh uh, c'mon)

Na na na na...
