"He's got you buuuuuurned, yeah!"

Burn, burn, burnin's the fix  
Tell me, do you really wanna roll with this?  
The heat is on, and it's time to move  
So will you know just what to do?  
Temperature's rising, no way out  
Gone too far, can't stop now  
So let me know you feel it too  
When the fire gets inside of you

Where have you been all of my life?  
I've been looking for you  
I wanna dance through the dark into the daylight with  
you  
I wanna burn

Burn, burn, burn the wood, burn  
The rhythm's hard to ignore (Yeah, yeah, yeah!)  
Set off in me, fire  
I just don't care anymore

Let's make it special  
On the dance floor  
I could feel your vibe  
When I came through the door  
Let's get it up, cos now's the time  
I really wanna make you mine

Tonight, let's put it in flight  
You and me, on a fantasy  
And if you really wanna learn  
I'm gonna show how to BURN!

Burn, burn, burn, you burn me  
Your body's talkin' to mine  
(You burn me!)  
Sizzling sensation  
Our bodies locked and in time

(Oh yeah, yeah!)

You know we're gonna burn, burn, burn the fire  
Can't hold back anymore  
(Talk to me, yeah!)  
Fire in me rages  
I've got to burn up the floor,  
Burnin' the floor,  
We're burnin' the floor!
