I'm gonna go my way!  
Come with me, you muthas!  
Let's go!

1, 2, 3, 4, 5  
Break the doll and get out of here  
Come with me now  
Now we are goin' our way

I wanna show you baby  
The world you've never seen  
Cause it can happen now  
So hold on tight, babe

It is a wild world out there  
When you can open your eyes  
No need to be afraid  
Stay with me baby

You are the one to keep me sane  
Baby take my hand and love me now

I don't wanna know what they say  
No no I don't care  
They can tell me nothin'  
I'm gonna go my way  
1, 2, 3, 4, 5  
Break the doll and get out of here  
Come with me now  
Now we are goin' our way

C'mon!  
Go on and fall apart!  
Let's go! Ahh!

I don't wanna know  
Which way to go, just keep on going  
There is no time  
No time to be wastin' now  
1, 2, 3, 4, 5  
Now is the time, let's get out of here

Come with me now  
Nothing can ever stop us

Thank you!
