I want you to want me  
For all that I am  
I hope that you will try to understand  
Do you feel the same?  
Do you feel the same?

I want you to want me for all that I am  
And I'll never leave you behind  
I want you to be by my side, you're always on my mind  
Baby am I the only?

We've got to stop this game  
Tell me do you feel the same

I want you to want me  
For all that I am  
I hope that you will try to understand  
Do you feel the same? (do you feel the same?)  
Do you feel the same?

I want you to want me  
For all that I am  
I hope that you will try to understand  
Do you feel the same? (do you feel the same?)  
Do you feel the same? (do you feel the same?)
