Oooooohhhh!

Just test my best
And find out if you like it
And the rest is dependant on you
Come close to me
And when we are united
You will see it's all so true
Just test my best
And find out I'm not faking
Don't take less
When you can get it all
Just hold me tight
What you're giving I'm taking
Baby stay with me tonight
It's all right

Oooooohhhh - Test me baby - Ooohh

Let me find out what's your best
Let's make a passion test
Your body just tells the truth
Come on I've got my mind to lose
I'll test you, test you tonight
Move your body, do me right
Imagine that I'm your guest
I gotta know how good's your best

Just test my best
And find out if you like it
And the rest is dependant on you
Come close to me
And when we are united
You will see it's all so true
Just test my best
And find out I'm not faking
Don't take less
When you can get it all
Just hold me tight
What you're giving I'm taking
Baby stay with me tonight

It's all right

Oooooohhhh!
