Its independence day Im free
And its a strange place to be
Im gonna break these chains
Unleash the changes in me

I see an endless road
I feel the restless wind
Ive lost the fear inside
Cause Ive got no choice
But to live or die

Suddenly youre in this fight
Alone
Steppin out into the great
Unknown
And the nights the hardest
Time
When the doubts run through
Your min
Cause suddenly you find your
Self alone
Suddenly you find yourself

In an empty room
With a suitcase on the floor
Itll be daylight soon
Im gonna wage my private
War

Whos watchin over me
Must be a guardian angel
I just need time to breathe
And give my life
The best of me

Chorus

Suddenly youre in this fight
Steppin out and then

Chorus

Suddenly youre in this fight
Alone
Steppin out into the great
Unknown
And the nights the hardest
Time
When the doubts run through
Your min
Cause suddenly you find your
Self alone
Suddenly you find yourself
